REMINDER:

Applying for a Primary 1 Place

Tuesday 23rd January 2024

Dear Parent/Guardian,

If you have recently submitted your child's Primary 1 application and have yet to supply your supporting documentation, the deadline is 31 January 2024 at 4pm.

https://www.eani.org.uk/parents/admissions/primary-admissions-guide

Please note: the closing date for online applications via EA Connect is this Friday 26 January at 12 noon

Late applications must be submitted by **4pm on Wednesday 31 January 2024**.

Only those applications received by **4pm on 31 January 2024** will be processed during the admissions procedure. Late applications received after this date will not be considered until the admissions procedure has ended on 25 April 2024.

Having a late application could reduce your child's likelihood of gaining a funded place in your preferred school i.e., should the school you are applying to receive more applications than it has places available it will firstly consider all punctual applications (including second and subsequent preference applications) before your application is considered.
