

Wednesday 6th March 2024

Dear Parents/Guardians,

HCB will celebrate World Book Day tomorrow, Thursday 7th March 2024. We would like the Primary 1 and 2 pupils to either wear or bring their pyjamas to school or their dressing gown. They can also bring their favourite small cuddly toy to school for the day. Or if they already have a costume for World Book Day, they can wear it. We would ask that the Primary 3-7 pupils and the Rainbow Room and Starlight Room pupils bring their favourite book to school, to share with their teacher and peers. Finally, Mr McArevey has asked if the parents could upload a photo of their child reading in an unusual place to their class app. There will be prizes for the best photos. Happy snapping!

Reminder: For obvious health and safety reasons, no one is ever allowed to park in front of the school gates and prevent access in or out of the school.

Also, we have had a few incidents where parents have managed to get through the foyer doors and arrive at the classroom door during school in recent days.

We would remind all parents that they are not permitted beyond the foyer doors (unless a meeting has been scheduled by the class teacher) for Health and Safety reasons.

Please ask at reception to make the relevant teacher aware if your son is being picked up early for an appointment and he will be brought down to the foyer.

Teachers should be made aware of boys in their class getting out early for an appointment in advance.

Thanks for your continued support.

Mr Mc Arevey Mr Curran

(Principal) (Vice Principal)
